Korea–Italy Workshop on Multi-Messenger Astrophysics and Cosmology

Monday, 26 October 2026

GWs (16:30 - 18:40)

-Conveners: Matteo Schulz

time	[id] title	presenter
16:30	[12] Updates on the Lunar Gravitational-wave Antenna	Prof. HARMS, Jan
17:10	[13] Instrumenting the Moon as a Tensor Gravitational Wave Detector	Prof. PAIK, Ho Jung
17:50	[14] Scalar-Induced Gravitational Waves as a probe for Modified Gravity	Dr ABIRAMI KUGARAJH, Anjali
18:10	Coffee break
