Korea–Italy Workshop on Multi-Messenger Astrophysics and Cosmology

Tuesday, 27 October 2026

Next generation GW astronomy (11:10 - 13:10)

-Conveners: Stefano Ascenzi

time	[id] title	presenter
11:10	[17] Einstein Telescope: the challenges of a 3rd generation GW observatory	Dr PUNTURO, Michele
11:50	[18] Einstein Telescope science perspectives	Prof. BRANCHESI, Marica
12:30	[19] Development of Gravitational Wave Detector Technology at KASI and Planning for a New Research Initiative in Multi-Messenger Astronomy	Dr LEE, Sungho
